

STEP 1

Choose a timeline for your drive - we recommend 2-4 weeks

Decide if your drive will be tied to a **special occasion** - birthday, grad, accomplishment etc.

Decide if you will run the drive **on your own or with friends**

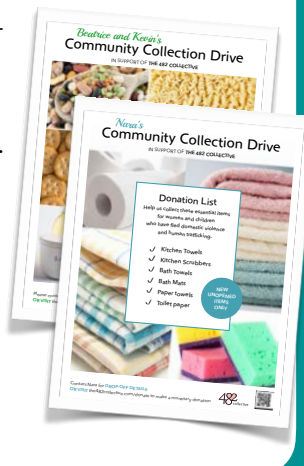

STEP 2

Visit the482collective.com/donate-items to **choose up to 5 items** from the list OR call 647-482-4357 to **build a custom list** with our help.

- If choosing from the website, please email your choices to volunteer@the482collective so we can create a personalized flyer for you to share with your family, friends, and community..

Keep in mind:

- We can only accept **new, unused items** with expiry dates listed 6 months+ from date of donation
- We make an effort to give people what they actually need, not what we think they need

STEP 3

Promote your Collection Drive by sharing it widely on social media.

Remember to tag us [@the482collective](https://twitter.com/the482collective) [#482events](https://twitter.com/482events)

Collect the items on your list

Book your visit – as you near the end of your Collection Drive, contact us to book your visit with family and friends – to deliver, sort, and shelve the items you've collected. **Drop-offs can be booked from 10am-5pm on weekdays. Weekends and holidays are available for groups of 25 or more.**
